Notes:

1. Attendance is mandatory for all exams; a medical note must be provided for any missed exams
2. Learning Commons and cafetorium will be open and supervised for students when they are not writing exams
3. Any multi-needs (formerly SDC class) will run as usual
4. Students will be required to write their exams for at least one hour. Upon dismissal, they must leave the exam hallways quickly and quietly as others continue to write.
5. If students are leaving the school after writing an examination, they should do so with the same expectations of a regular school day (ie. signing out at the office, and have parent permission, such as a note, to do so).
