***Notes:*** ***If you do not have a culminating activity on your scheduled day, your teacher will still be available (during the exam/culminating time) for support with work/task completion to help meet curricular expectation.***

- Attendance is mandatory for all exams; a medical note must be provided for any missed exams
- Learning Commons and cafeteria will be open and supervised for students when they are not writing exams
- Any multi-needs (formerly SDC class) will run as usual
- Students will be required to write their exams for at least one hour. Upon dismissal, they must leave the exam hallways quickly and quietly as others continue to write.
- If for any reason, school buses are cancelled or schools are closed, the exam schedule will be moved ahead by one day. (for example: Jan. 24th exams would be written on Jan. 25th, Jan. 29th exams would be written on Jan. 30th)
- If students are leaving the school after writing an examination, they should do so with the same expectations of a regular school day (ie. signing out at the office, and have parent permission, such as a note, to do so).
